

**RV SUPER  
DIGEST**  
for Holding  
Tanks

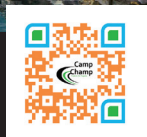

**16 Treatments!**

## **CAMP CHAMP SUPER DIGEST**

Super Digest is a highly concentrated product that contains 9 aggressive digesting enzyme strains. A one ounce (1 oz.) treatment contains over 14 billion microbes to break down solids and clean probes.

- 16 Treatments per bottle (1oz.)
- Doesn't harm tank seals and fittings
- Made from 9 enzyme strains specifically designed to digest waste, solid organic materials, and toilet paper
- Includes proprietary bio-start for complete water dispersion
- Cost effective
- 100% biodegradable
- Cleans probes and calcium build up on tank walls
